ANGEL CHILDREN.
Is there any happier woman in this world than that mother whose each successive little one seems to her but one more darling angel to continually lift her thoughts toward the sunshine of perfect happiness? But sorry is the lot of that poor mother whose motherhood has ceased to be a cause of rejoicing, but has become instead a burden to be dreaded and looked forward to with melancholy and apprehension.
"About three months before our last baby was born (which is our fourth), writes Mrs. Nellie Carl, of Co., Oregon, 'my health was very poor, I had been troubled for about eight years with female disease. I doctored with good physicians but obtained no relief, so I wrote to the World's Dispensary Medical Association, and was advised to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' I did so, and am happy to say my health began to improve and I did my work up to the last, and felt splendid."
"I got along finely during confinement and had the healthiest baby I ever saw. When he was three months old he weighed eighteen pounds. He is now seven months old and weighs twenty-four pounds. I can say I have had no return of my old troubles. I thank you very much for the good you have done me."
Any woman may write to Dr. R. V. Pierce, of Buffalo, N. Y., a statement of her case, which will be considered in absolute confidence by this physician who stands among the foremost specialists of the century in the treatment of women's diseases. He will send her (in a plain, sealed envelope) sound, sensible, valuable advice free of all charge.
Dr. Pierce's great thousand-page, illustrated Common Sense Medical Adviser will be sent free, paper-bound, for a one-cent stamp, to pay the cost of mailing only, or cloth-bound for 31 stamps.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; it is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer--weaken, and become diseased.

Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Digests What You Eat

Bottle holds 30 times as much as the trial, or 90 cent size.

THE PROPOSED ARMISTICE.

A dispatch from St. Petersburg says that it is understood that there will be no armistice declared for the present. The only hope for it pending the meeting of the peace plenipotentiaries seems to rest with President Roosevelt, and even that is considered slender. So far as known the President has not taken a positive step in this direction.

The impression in St. Petersburg continues strong that Japan only with great reluctance could be induced to forego the advantages of her strategic position, which, despite the tone of the official advice from the front, is regarded as being altogether favorable to Field Marshal Oyama, and to agree to a suspension of hostilities for at least six weeks, during which time thousands of reinforcements would reach General Linvitch and Vladivostok would be strengthened with munitions and supplies to withstand a siege.

Indeed, it is suggested that Japan deliberately planned to postpone the meeting long enough to give Oyama a chance to administer to the Russians a fresh defeat on land in order to rob the war party in Russia of their last card and facilitate acquiescence to her terms. At the British Embassy it is said that Great Britain had not offered Japan any advice on the subject.

The St. Petersburg Novoe Vremya prints a dispatch from London, in which its correspondent declared he was in possession of information to the effect that the British were advising Japan against the conclusion of an armistice. "Russia," the dispatch added, "is not considered to be sufficiently weakened. Great Britain hopes that Field Marshal Oyama will succeed in destroying General Linvitch's army, and thus relieve her of the nightmare that the army may later be shifted to the borders of Afghanistan for operations against India."

HEAT, RAIN AND HAIL.

Page county was visited by the most severe electric storm in years yesterday evening between 3 and 4 o'clock, doing great damage to gardens and all growing crops. The storm came from the north and was accompanied by terrific wind. The hail was large and this alone has done much damage, beating corn into the ground, the fields presenting the appearance of having been run over by a roller. Lightning struck several times in Luray, which seemed to be the meeting place of the storm from the north and one from the west. A tool house and repair shop on the outskirts of the town belonging to the Norfolk and Western Railway was struck by lightning and burned.

The storm was especially severe in the neighborhood of Bixlers Ferry, where all growing crops are said to have been greatly damaged by the heavy downpour of hail. The rainfall has not been equaled in years and all streams are out of their banks.

A dispatch from Winchester says the intense heat of the past few days reached its highest mark yesterday, when the mercury registered 97, and two men were overcome. Both are under the doctor's care. Rain yesterday evening caused a fall in the temperature.

With the mercury at 94 degrees and considerable humidity in the atmosphere, yesterday was the hottest of the summer season in Richmond. There was much suffering among the working classes, but there were no reports of prostrations. Late in the afternoon the temperature was modified by a thunderstorm.

A terrific thunderstorm, accompanied by heavy hail, prevailed at Keyser, W. Va., yesterday afternoon. The hail-stones were as large as cherries and much window glass was broken, while trees were stripped of branches and gardens were ruined. Fruit suffered greatly. There was a drop of ten degrees in the temperature at Cumberland as the result of the storm.

Fraud Order Issued.

The Postoffice Department has issued a fraud order against the Interstate Advertising Company, of Cleveland, O., of which Joseph P. Beardsley is the manager. The scheme of fleecing money from the public was both unique and profitable. An advertisement was inserted in a paper offering \$25 per 1,000 for copying letters. This tempting bait looked so attractive that thousands of responses were received. To each one of the applicants for work a letter was sent saying that the address could have employment if \$1 were sent for the payment of a package of articles about which the letters were to be written.

Upon receipt of the dollar the advertising company forwarded to the applicant four bottles of what were called chocolate-coated drop tablets, which, at wholesale, can be purchased for two and a half cents per bottle. In addition the seeker for employment was furnished with 50 sheets of paper, on which the letter to be copied was to be written. The letter consisted of about 500 words, and by no system of writing could be placed upon the sheet of paper. Naturally, after an attempt to do the work the applicant gave it up and became discouraged. The advertising company was the possessor of the dollar minus the 10 cents [worth of drop tablets and the 50 sheets of paper. Beardsley is understood to have made considerable money out of the scheme.

A Negro's Confession.

The confession of Al Moore, a negro, arrested for complicity with J. G. Rawlings and the latter's three sons in the assassination of the boy and girl of W. L. Carter, Monday, at Valdosta, Ga., has been made public. Moore alleges that the elder Rawlings employed him and that he and Rawlings' sons went to the Carter home. They were to kill the father and mother and eldest son, set fire to the house and kill the children as they ran out. The boy came out at the sound of the dog barking and one of the Rawlings boys shot him. Carrie Carter started toward him exclaiming: "Buddy, are you hurt?" Then she was shot. The boy staggered toward her crying, "Oh, Lord, they have shot my sister." Then the boy, Moore says, was drawn into the house by his mother. Moore says he heard the boy begging his father for water, but the father was afraid to open the door. Moore claims he ran away just as one of the Rawlings was about to fire the house to drive its occupants out.

Furious Fighting.

"For seven years," writes Geo. W. Hoffman, of Harper, Wash., "I had a bitter battle, with chronic stomach and liver trouble, but at last I won and by the use of Electric Bitters. In unhesitatingly recommend them to all, and don't intend in the future to be without them in the house. They are certainly a wonderful medicine, to have cured such a bad case as mine." Quality vs. Quantity.

When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and converts the nutrient properties to the blood and tissues. This builds up and strengthens the entire system. Kodol cures Indigestion, Dyspepsia, Belching, Sour Stomach, Weak Heart, etc. Sold by W. F. Creighton, 401 King Street, and corner Queen and Patrick Streets.
